Prodigy, H A V O C, M O B B, uh huh, yeah  
Uh huh, uh huh, uh huh  
Know what I'm sayin'? Forty first side  
Niggaz know how we do, right, right  
I can see you back there, yeah, yo

The Mobb'll spit that shit, rip that bitch, leave it loose  
Take shit back to trip who fat goose  
Queens bridge representative, ghetto entrepreneur,  
stay on tour  
Dick-riders, wanna get 'em bullshit

The same law, same day contract, different clause  
Don't run red lights, I never caught the blue balls  
Gold medalist spit, doin' this ever since  
Third time felon nigga, who you tellin'?

'Cause we Allustrious, ashes to ashes  
And dust to dust, if you fuck with us  
It's a must we bust and if you stand wit us  
Nine times out of ten, son you might get bucked

'Cause we Allustrious, ashes to ashes  
And dust to dust, if you fuck with us  
It's a must we bust and if you stand wit us  
Nine times out of ten, son you might get bucked

Yo, the lost page of a wild rhyme writin' nigga  
P holds the pen tightly, explode nightly  
I count on one finger, all y'all rap niggaz that excite me  
Y'all niggaz is trash rap, wanna fight me?

You shook to death, take breaths and step lightly  
Y'all little league niggaz is so bald they might be  
Spent too much time with wifey

Come out to play with the hard-headed, infamous song  
torture  
Crack your knuckles, buckle up your pants tight  
Pull your hats down, let's get it on like papi bar fights

My spiral book, hold the world's most lethal

There's no cure, for what my pen do neither  
Bring the fever, y'all niggaz is the rap Justin's  
While we was gone for a moment, y'all kept the crowd  
goin' now

Move over bacon, time for som'in meatier  
Your shit's weak, your best song was mediocre  
Fuck a penis, how dare you entertain the thought  
That you could come out to challenge me in blood talk?

Take a walk jerk, this ain't Levert, Sweat and Johnny Gill  
This is rap for real, somethin' you feel  
You catch a chill when you hear the Mobb bang through  
your stereo

It's heavy metal for the black people, rock 'n' roll  
But it's hip-hop though, my drug music  
It's therapeutic to the user, you slam dance to it

Nigga we infamous, ashes to ashes till death do us  
And y'all weak to us  
If you stand amongst us, prepare for the worst  
It's a must we burst ours first

Nigga we infamous, ashes to ashes till death do us  
And y'all weak to us  
If you stand amongst us, prepare for the worst  
It's a must we burst ours first

Yo, crack the Henny bottle while I drop this jewel on  
your dome  
My shit'll touch home, straight to the core you ain't  
alone  
Play the unknown type Dunn, mysterious stars  
Concealin' them slugs, if it go down, remember that  
mug

'Cause ain't no love when a nigga shit is touchin' his  
ribs  
Hungrier than a hostage, shit, we blitz  
Information pack the led up in shit  
The better you get, the better we get and that's it

Yo, this snake's in the grass when they bite Mobb anti-  
venom  
Stop 'em in they tracks, goin' at 'em when you send 'em  
Imperial dogs, creepin' through fog

Carved needle slip and you fold, the shit's lethal  
We roll Mobb Diezel, the whole Q.U double E N S  
And when you spot us, play low-key

Dunn these niggaz is actresses  
And they tryin' to play the man's role  
Can't they see us wildin' on the video?  
Don't they see us in the club swingin' elbows?  
Or on the street with our jewels on the cell phone?

Hoppin' the sidewalk with Benzes and Jeeps  
I ran through more cars than it's sand on the beach  
I'm pleased to meet you, now here's a word to the  
smart  
Don't ever let your peoples boost up your heart

'Cause you'll fuck around and get your ass torn apart  
Challengin' the Mobb in the arts  
Our literature stands colossal, compared to y'all's  
Way ahead of your time, you're strugglin' to keep up  
Your style's limited, your rap's primitive  
Go 'head with that bullshit you kicked Dunn

Nigga we infamous, ashes to ashes till death do us  
And y'all weak to us  
If you stand amongst us, prepare for the worst  
It's a must we burst ours first

Nigga we infamous, ashes to ashes till death do us  
And y'all weak to us  
If you stand amongst us, prepare for the worst  
It's a must we burst ours first

Nigga, nigga, we infamous, ashes to ashes till death  
do us  
And y'all weak to us  
If you stand amongst us, prepare for the worst  
It's a must we burst ours first  
Nigga, we infamous
