[Chorus]

Crocodile on my feet
Fox fur on my back
Bowtie 'round my neck
That's why they call me the gangsta mack
In the Cadillac!! Yeah!! [- repeat 2X]

[Verse One]

Nasty Noompsy Knightingale
Fresh in that tuxedo
Cumberbun with no suspenders
My torpedo, you libido
Need to chat (Chip, chop it up, shoot the breeze!)
I'm your r-o-l-a-i-d-s, release the squeeze or release
the keys
To the shackles on her wrist, she can tackle some of
this
Smack on smack on some of this dick tracy
Arrest her, book her, fingerprint your hooker
You took her to the club and now her body is full of
liquor
Off that Butterscotch Schnapps and Bailey's Irish
Cream
She's a damsel in distress impressed with stylish
things
Whatcha mean? (Chip, chop it up, shoot the breeze!)
In the parking lot we primp, crooked booty to the scene
where i's...

[Chorus] - repeat 2X

[Verse Two]

Oh, lord! How can it be so hard??
To put on a pair of panties much less a pair of jeans or
the leotard
But I got to start by complimenting you on your
physique
You unique, you best believe I'm gon' skeet once I
speak
Spoke, spit, spatter, spat and I macked her just like that
But it takes years of perserverance and experience to

get that cat!
So why don't I chase this Hennessy down with some of
that
On your back, like a cheerleader missing the final
stack!
As we strut skip the line through the glass window
glance
We look fine, right on time
As we step in the place the nursery's crunk we've come
to play
[Sleepy:] Everybody's watching 'cause them furs just
hit the door
While the gator's creeping, crawling oh so wicked
across that floor
To the V.I.P. where we proceed to give you what you
need
Throw your hands up if you feel me!! Throw your hands
up if you feel me!!
'Cause we well designed and fine as wine
Feel good to be fly, so don't you ask me why
I got the ladies in line, because they can't deny
So raise your hands to the sky 'cause we super fly

[Chorus]
