[intro: havoc, (prodigy)]

Yeah... yeah... yeah (let it go... let it go)

Yo, that's right (uh-huh, uh-huh, uh-huh)

Yeah, yeah, yeah, yeah, yeah

Yeah, yeah, yeah, yeah, yeah (that's right)

Oh, yeah (check it out, tell 'em, dunn)

Oh...

[chorus x2: havoc]

Y'all niggaz can't fuck wit the niggaz I fuck wit (uh-uh)

Really don't wanna fuck wit niggaz I fuck wit (uh-uh)

Y'all niggaz minor league in my eyes for real

Y'all niggaz wanna pop shit? see me when ya get a
record deal

[havoc]

Yo, if I sat at wrote a verse for all the niggaz I hated

Most definately, if not you, kill somebody belated

Sound foul with a subject, dunn, no women or kids

Dump you up under a bridge in a cardboard box

I'm like nothin to do wit it, believe it or not

I'm washin my hands to get bent with henney or rock

Up in the rep bangin my chest off, pealin my socks

Niggaz do it to death, I sleep with my 6 cocked

Like henney rock, one sip, ya love it a lot

While you sleepin, I'm creapin wit the intricate plot

'cause picture me up in the morgue, way before my
time

Picture you tryin to get my while I'm still tryin to get
mines

Asshole, have ya brain lookin like castro

Dunn, I heard you wanted me (be careful what you ask
for)

Bitch, if I buck you, damn short snitched

The nigga just mad 'cause he can't cop crisp

[chorus x2]

[raekwon]

I observe the dread, winter time, big shot in my leg

Blood barrels, a big thick benneton keg

Razor glass full, salute all teflon, shoot wit the left arm
We sleepin wit nukes, the blood is she'd warm
High-voltage guns, nuns wit jums in the gums
Razors, lazars, bulletproof blazers
Yo, remind what the team chanted
They bought the jewel from a don wit a king-sized hat
on, slanted
Kangol wit bentol, ya mental, mid-war
Spill hen' in the store, that's for the own'
Blaze wit a bent 4, yo these laws is your's
When we pour gasoline all in ya pours and draws
So decievin, flow speed change, lay him down, empty
breathin
Instead of these leaks, we leave the weak weapin
Operation: apparatus, spray shots through ya grey
stratus
Straight up status for maggots

[chorus x2]

[prodigy]

Soldier boys stay on ya toes, be on ya p's and q's
Keep ya eyes bright comin out ya buildin, duke
You might bump into a bullet or stumble on ya death
Niggaz slumber, I put 'em in a deep coma
I keep guns 'cause it's like that, you figure it out
I got an arson for niggaz tryin to figure me out
You ain't a killa, you just talk more, runnin ya mouth
The type of nigga, we'll stomp out and bloody down
Look, we a mobb for real, don't let the lp's twist it
Cut me a cheque 'cause I don't talk business
Drop anthems worth millions and spend millions
Take trips with my niggaz to the keys on the weekends
Serious jewels, pissy off the fruits
Dunn, we move like the marines, move when we come
through
Seduce bitches dizzy, half they friends and they moms
wanna hit me
Y'all know my stiggity

[chorus x2]

[outro: havoc]

Yeah, yeah...
