Do you hear that

Good spill how you're prayin to the Holy Father  
Big Lord i ain't even been in ..  
Thought it was a game now you know is really real  
Really feels deal press against warm skin  
Aint' no turning back nigga now you're rollin  
Getting ..as i show you how to ..  
On top when they get what them bill was  
Old show now i hate the cook ..  
I'm seeing tears not a good look shown  
I f\*ck it let the little nigga live  
Yeah right had these other niggas up my whip  
No mercy shift let me about  
Isn't gold i don't let em and i see your mouth  
And now you're on the floor just bleeding out  
You know it's wrong when you see me in my clean  
mouth
