[Prodigy talking]

Yo fuck the face, bitch-ass nigga (Mobb Niggaz...)

Tell you niggaz somethin (get up on that nigga son)

The fuck you niggaz wanna do? (Mobb Niggaz...)

[Chorus: Prodigy]

They call me the P nigga, we Infamous Mobb nigga

We could only get bigger (Mobb Niggaz...)

We the number one team, we the ghetto all streets

And we prey on the weak (Mobb Niggaz...)

Y'all can't come close at all, our clips is tall

Enough shots to kill all y'all (Mobb Niggaz...)

We that M-O-B-B, don't move nigga freeze

You get kill't with ease (Mobb Niggaz...)

[Gambino]

I can do what I wanna do, take what I wanna take

Get who I gotta get, it's nothing

'cause my guns is bustin, kid you gotta respect the game

I talk "Reality Rap" so you know I keep that thang

That make ya ears ring - so watch ya step, or wear a vest

'cause Infamous'll cave in ya chest, demand the respect

Vexed sweatin, loadin the tec

Thinkin about all the foul shit you brought to the set

I'm hit you and ya man, whoever is next

'cause right now the grimy one ain't gettin no checks

How you think that make me feel when I got two kids

Plus takin care of my brother 'cause my dunn ain't here

I'm tired of the tears, drippin down my moms face

I'm tired of tellin my dawgs, we gon' make it one day

It's now or never, and I ain't got no patience to wait

'cause it's too much drug money to get outta state

[Chorus: Prodigy]

They call him Gambino nigga, we Infamous Mobb

We could only get bigger (Mobb Niggaz...)  
We the number one team, we the ghetto all streets  
And we prey on the weak (Mobb Niggaz...)

Enough shots to kill all y'all (Mobb Niggaz...)

[Godfather]

We that M-O-B-B nigga, IM3, Infamous to the 3rd power  
Gun showers to clap ya crib up crazy  
My moms and the streets raised me - you owe nigga  
pay me  
It's either or rock-a-bye baby  
The guns that I got explode like M-80's  
And ain't nan nigga in this rap shit can phase me  
From QB to Beasley I rep Queens faithfully  
The feds can't trace me, impossible to do  
I'm like a high-speed pursuit, I'm ready to shoot  
Gimme the loot, the cash, all the cream, and the cake  
The way we shake and bake could never be fake  
Y'all niggaz is flakes, the pain and the ache I feel  
I'ma always be for real, until the day I'm killed

All the blood that's spilt  
For every death that came before my eyes - we will  
survive

[Chorus: Prodigy]

And that's Godfather nigga, we Infamous Mobb nigga  
We could only get bigger (Mobb Niggaz...)  
We the number one team, we the ghetto all streets  
And we prey on the weak (Mobb Niggaz...)  
Y'all can't come close at all, our clips is tall  
Enough shots to kill all y'all (Mobb Niggaz...)  
We that M-O-B-B, don't move nigga freeze  
You get kill't with ease (Mobb Niggaz...)
