If its war it's on  
24 slash 7 war war  
We want more  
As time goes by  
It's either do or die  
Be the look in my eyes  
Dunn i'm glad to be alive  
Mobb loaded in rap  
Only the strong survive living in fact  
Niggas best fall back (fall back)  
We click like clocks when they tick  
24 slash 7 war  
Stomp off a predators  
Quick to set it off  
Which you know this Infamous  
Blow this spot control this spot  
You feeling it, squeezing the glock

[Ty Knitty]

Some say we the drunkest and stay bent  
24 7 it's on arrogant milltant  
Thugs drugs and guns, 8 bars a peice  
Hav lacing the beat  
Blow trees till the morning  
All i see is ice grills on mugs  
Handshakes and hugs  
96 buildings of villains  
It's a maze through these buildings  
The steps we walk  
Qb slang we talk  
Dont piss me off

[Gambino]

Ayo i feel this shit wit thug heart  
We takin ya heart  
It'll be the shit i kick that'll tear ya apart  
Fear no man my plan is to get on top  
Cop a drop straight cash off the lot we got  
Murda one rap music abusing ya thoughts  
Hold the heat in the street fuck peace abort  
We keep it gangsta with A.K's and hand grenades  
Runin' through ya block sprayin' for days crime pays

[Hook] [Godfather] repeat x2

If it's war it's on  
24 slash 7 war  
Who would you be if you didn't have to set it off  
Squeeze yours Infamous on top better rep yours  
Fuck around and test yours  
First be the best off

[Godfather]

If it's war nigga abort  
Combat sport  
Survive by all means use whatever was taught  
Living the code of the streets  
Gun shots pop some nights i can't sleep  
Gotta make ends meet  
Second time felony a jake got beef  
I'm wanted by the states 52 at least  
We a - mericas most the toast stay close  
Better watch ya approach  
My niggas is going for broke

[Gambino]

If it's war say no more nigga handle ya biz  
Protect ya moms wife and kids the way i live  
A lot of foul shit flash through my brain i did  
How i used to rob shit wit my identical twin  
As the world spin a hundred bark bent off gin  
Loose rocks for ten, been locked in pens  
For life ima war till my motherfucking end  
Gambino, lighting you up wit mack 10's

[Ty Knitty]
