[Ronald Isley singing throughout song]

[Prodigy and Havoc talking]

Yeah yeah  
Know what I'm sayin'  
Straight burn biscuits baby  
Yeah, give it to 'em raw uncut  
Turn them headphones up  
No doubt son  
No problem  
Creepin' it though baby  
It's gangsta  
The truth gonna come to the level

[Havoc]

Yo  
As this blood flow through my veins  
I stand before this mic with a stepped up game  
Some things when I look how they never gonna change  
It ain't a thing  
Niggas wild  
Then I'm cockin' that thing  
Cuz you know with every action there's a reaction  
And there's no known cure when I'm sick with the clappin'  
How many times it have to happen  
Niggas talkin' like they generals  
They just mere captains  
The streets there's rules  
Slugs hit 'em with infractions  
And then there's Hollywood if you want some fuckin' acting  
You got these niggas out mis-representin' they hood  
Give 'em heart now they icin'  
I'm like nigga what's good?  
Cuz you know how I get with these macks and these techs  
Blaze 'em down gives a fuck about the next nigga rep  
Play around find yourself getting' cheated by death  
Man gone and believe me dog it happened to the best

[Chorus]

You know a nigga

I be tryin' to chill

But now then I'ma hafta run these niggas a drill (no  
doubt)

Ther comes a time in

Every nigga life when he's face to face with that ole'

Kill or be killed

And here I go again

Grabbin' my steel

Cuz now then I'ma hafta run these niggas a drill (run  
'em)

There come a time in

Ever nigga life when he's face to face with that ole'

Kill or be killed

[Prodigy]

Ay yo
