[Jadakiss]

Yeah

Yeah, fuck I'm talkin' 'bout right here?

niggaz ain't ready

Knowwhatimsayin'?

My nigga P

Kiss, c'mon

[Chorus: Butch Cassidy]

Livin the life, steady keepin it tight

Never take a funny nigga's advice

Pimpin the game, never trippin on fame

When I'm done you'll respect my name

The vision is real, time will reveal

as I pack the steel

Treasure I found, with the platinum sound

that no other can put down

[Jadakiss]

I take a lot of advice, my lifestyle's product and dice
and guns that'll target your pipe

It's sorta like approachin the don, wrong word, wrong
vibe

4-5'll leave most of you harmed

Move coke through the ocean, paid off the coast guard

Sailed out to Cuba, made sure shit's potent

Violence with caution..

and ain't too many niggaz you know that got pilots
transportin

Egg nog whip, four door Ferrari

2 M-16s's, I beg y'all flip

I'm the hardest nigga you know, check it out

Turned 40 ki's to 80 when I get in the door

So I flash like cameras, blast like hammers

I worry about y'all lil' niggaz just like your grandmas

Get shit jumpin like the playoffs

Every twenty minutes a day give or take I knock a K off

Been in the hood for real long

Catch me anywhere and I got a half a mill' on

Jada, kiss you now, you die now - why later?

Double R and Violator

[Chorus]

[Prodigy]

Yeah, yeah, yeah, yeah, yeah

P and Kiss y'all don't wanna miss this

That's two ghetto-ass niggaz on the same shit

We the two best you ever gon' hear in your life

Appreciate this shit
