Record this right here  
Man I want niggaz to hear this shit right here  
Knahmsayin? Cause these niggaz be forgettin son  
Knahmsayin? .. Can't blame niggaz doe (we here son)  
Y'know? Truth always reveal itself though  
that's what we here for  
But umm.. we gon' take this little intermission  
to say what the fuck we got to say, y'know?  
(Let me, let me here something then)  
It's like this Dunn

*[Prodigy]*

Infamous til the name wear out  
Time and again without doubt  
I take the murder one route  
Why clowns pulled out and copped out  
Poppin they, little heads out they hole  
Stickin they chest out, actin like they in control  
But hold up, I've been doin this since we was kids  
And all you other niggaz gotta ask if you could live  
Your projects is on our dicks, you need to quit  
and let us rep that for them, your raps ain't shit  
Your background's incorrect, your song push no effect  
on the people, don't try to play my part  
Don't try to say my words that I lived and survived  
Y'all niggaz got some nerve, be careful at night  
You might bump into a tru to life nigga like Pee  
Get beat over your head wit gun handles  
Check the manual you went about it all wrong  
We put you on the life, taught you how to drink right  
and how to speak like anigga livin street life  
How to chasee down liquor wit more liquor  
As a youth I was over proof, now I'm sober than your  
hoa  
But still pound on a nigga til he throw up  
Straighten up there's too much to lose  
Get your head on right, we got the world to gain  
and I'ma take mines while you sit around and complain  
and I innovate raps while your song is playin  
Looks tastes and feels to me like no frills  
Take that bullshit back to the two inch reel  
Hit the studio hard, crash the track board like a

smashed car  
Then maybe next rhyme you could fuck wit the God  
Pee wit a capital "P"  
and don't ever in your life try to rock wit me  
On no days there's no rap page I can't top  
I, splash the half ass trash you dropped  
You get chopped in half, your little raff ain't last long  
My shit came out and you got escorted to the door  
You just a fuckin clown here to entertain us all

I bring the gravity Dunn you're gonna fall  
Anytime y'all niggaz wanna mic brawl  
Don't forget to me it's bloodsport bring your dogs  
Nigga  
(Yea nigga, it's like that y'all niggaz, what)

*[Chorus: Prodigy]*

It's Murda Muzak, niggaz on my block relate to it  
Murda Muzak, my peoples on the cell block use it  
Homicide Muzak, Dunn stand up on the count  
Is you involved wit it or out, while I shout  
Murda Muzak, niggaz on my block relate to it  
Murda Muzak, my peoples on the cell block use it  
Homicide Muzak, Dunn stand up on the count  
Is you involved wit it or out, I'm goin out

*[Havoc]*

It's no doubt, I hold my niggaz cause they hold me too  
Like if you show love for me then I'll show love for you  
And if you in a situation, just be patient  
Give me a minute and I'll be there with no hesitation  
and all them bitches that you hittin we done ran  
through that  
Plus dissed them, that's why they can't stand our raps  
As for you couldn't give a fuck on how you feel  
Never allowed, and break em up like a whack album  
Go against to get punished, fuck you  
Take it out on who run wit, then touch you  
Ain't no room for the both of us you pop too much shit  
I just handle shit and put a clamp, on them loose lips  
I sink em like the Titanic, you be deep in some shit  
I didn't stutter can't hear nigga read my lips  
Who you runnin wit - shit you won't knock this click  
You just frontin wit imaginary pies you flip  
Ayyo Pee my mind and yours put together's like a pack  
wild pirahnas  
Carnivores it's me thirstin  
It only worsen, you cats'll get the closed curtain  
While your catch me on your networkin, you dick jerkin  
Your future's uncertain - get a grip close your mouth

cause you know them shits sink ships  
It's foul - tryin to go against the morale  
Move the crowd do my thing leave your ears aroused

*[Chorus]*

*[Prodigy]*

It's Murda Muzak, niggaz on my block relate to it  
Murda Muzak, my peoples on the cell block use it  
Homicide Muzak, Dunn stand up on the count  
Is you involved wit it or out, while I shout
