[Big Boi]

Booom, booom, booom..

Ready for action, nip it in the bud  
We never relaxin, OutKast is everlastin  
Not clashin, not at all  
But see my nigga went to do a little actin  
Now that's for anyone askin, give me one pass 'em  
Drip drip drop, there goes an eargasm  
Now you cumin out the side of your face  
We tappin right into your memory banks - thanks!  
So click-it-or-ticket, let's see your seat belt fastened  
Trunk rattlin, like two midgets in the backseat rasslin'  
Speakerboxxx vibrate the tag  
Make it sound like aluminum cans in a bag  
But I know y'all wanted that 808  
Can you feel that B-A-S-S bass?  
But I know y'all wanted that 808  
Can you feel that B-A-S-S bass?

[Chorus: Sleepy Brown]

I like the way you move..  
I like the way you move.. whoo!  
I love the way you move..  
I love the way, I love the way  
I love the way you move..  
I love the way you move.. whoo!  
I love the way you move..  
I love the way, I love the way

[Big Boi]

The whole room fell silent, the girls all paused with  
glee  
Turnin left, turnin right, are they lookin at me?  
Well I was lookin at them, there there on the dancefloor  
Now they got me in the middlin, feelin like a man-  
whore  
.. 'specially the big girl  
Big guls need love too, no discrimination here squirrel  
So keep your hands off my cheeks  
Let me study how you ride the beat, you big freak

Skinny slim women got the cameltoe within them  
You can hump them, lift them, bend them, give them  
something to remember, yell out  
timber when you fall through the chop shop  
Take a deep breath an exhale  
Your ex-male friend boyfriend's borin as hell  
But let me listen to the story you tell  
And we can make moves like a person in jail, on the low  
hoe

[Chorus]

[Sleepy Brown]  
Hey baby, girl don't you stop it  
Come on lady, dance all around me  
You look so fine (look so fine) look so fine  
You drivin me out my mind (out of my mind)  
Out my mind, ooooh baby  
If I could I would just be with you baaa-by  
Oooh cause you light me, and excite me  
And you know, you got me baby, whoo!

[Chorus] w/ ad libs - repeat to fade
