Yeah, uh huh, yo.... yo

[Havoc]

I ain't a sucka ass nigga

Don't talk on the pillow

Like most of these faggot ass niggas

Write a rap, make a beat

Occasional beef, no doubt, I'ma squeeze that trigga

Now P', that's my doggy, got drama I'm co-signin'

The new times, shovin' a fork in your nose linin'

In no time, when you catch the gaurd nappin'

Thats a dog standin' next to him

Get shot and cut your frag in

I'm a bastard, from the cradle to the casket

Leave a bitch stuck like traffic

When I come through, king me and this mine's

Got a problem? See me and step aside

Beef never let it slide, I forever for ride

Always analyze a nigga when he cut his eyes

Not for nuttin' though these slugs love a tough guy

Nigga's wann' brawl, I'll be much obliged

Chorus (X2): Havoc (Prodigy)

Watch that nigga (Better watch that nigga)

Watch that bitch (Better watch that bitch)

Watch my clique (Better watch my clique)

Real quick how we dumpin' those clips (We dumpin'
those clips)

[Prodigy]

I'm from the era of the 70's

But this is for the peoples that was born in the 80's and
90's

New shit for the 2000's kids

My little niggas, and lil chicks

Bang this in your walkmans and mp3's

Or my internet junkies downloadin' Mobb Deep

If you broke, yeah get the bootleg, that's on me

As long as you spreadin' the word, it's all peace

Got enough fans that'll hit the HMV, or the FYE

The Wiz and Sam Goodie plus the Warehouse got our
sounds

Let's not forget the Mom's and the Pop's, they like our
biggest accounts
It's a prime demand, we got enough to go around
We provide that gangsta in exchange for that amount
Shorty, if you not hip to me you better +Get Shorty+
And for of those that is, you best check for me

(Chorus X2)
