Prodigy: Yeah

Water-board hip hop I torture the flow like water

The drought over yeah here we go

Used to spit now i pour my soul into this shit

Praise God Mobb Deep goes hard and never ends

You can drown in this ocean of dopeness

Jump in to this deep dark abyss Some swim in they wish

They pray, they hope, they dream they could be so
fresh

But my drive and passion supersedes they attempts to
be

Just like H just like P there ain't a rapper breathing air
that compare with these

Elite niggas from the New YC Thatâ€™s why all these
new guys they know who I be

You don't want that slow pain so respect my team or
get Guantanamo Bayed my veins they bleed the blood
of a young dunn boy I squeeze if I pull it "P" float like a
yacht, and I sting like them bullets Fuck a fight I will box
you, in that seven bottle My slow flow drip till a nigga
pool Nonstop bars I'm a bottomless pit of Dopamine
16's this is that Queen's shit

[2 x Hook:] (Prodigy)

Iâ€™m psycho with rap get your brain wet

We canâ€™t let the shit fall, this shit fold

We too strong we too dope

We torture these niggas waterboard these niggas

We torture these niggas waterboard these niggas

Havoc: Yeah

I think iâ€™m Big Cheney, George Bush the way i
waterboard these niggas got em' all shook

A verse I spit is fire got em' coffin' up soot

A gruesome act committed had his judges throw the
book

So this is for my niggas trapped in them dungeons
bidding No commissary coming so you know they guns
is spitting

That's just the way we're living society wonâ€™t
forgive us

But we donâ€™t ask forgiveness we take it that's a
stick-up

Who want be opposition thatâ€™s when the plot'll

thicken
My mind is so malicious have you sleeping with them
fishes
The world is mine i figure and everything thatâ€™s in it
That dead armor pop eyes have you leakin' spinach
And so we finished expired like old milk
I catch the bodies it ain't over till the cooler filled
Call it overkill, stand over you holding steel
Empty out on him closed-casket funerals
[2 x Hook:] (Prodigy)
Iâ€™m psycho with rap get your brain wet
We canâ€™t let the shit fall, this shit fold
We too strong we too dope
We torture these niggas waterboard these niggas
We torture these niggas waterboard these niggas
