If I could only make a wish
That would last forever
Iâ€™d wish that we belong together
And if I close my eyes in prayer
And wait for an answer
I hope itâ€™d be you standing there

But I could only dream
Of holding you one more time
And I could only whisper
Silent wishes longing for your love again
Thatâ€™s all I do to have one chance with you

If I could only be the one
Youâ€™re holding in your arms
Iâ€™d love to feel the same way
She feels tonight
And if thereâ€™s only one thing in the world
I truly loved
Is when I had one chance with you

But I could only dream
Of holding you one more time
And I could only whisper
Silent wishes longing for your love again
Thatâ€™s all I do to have one chance with you

But I could only dream
Of holding you one more time
And I could only whisper
Silent wishes longing for your love again
Thatâ€™s all I do to have one chance with you

But I could only dream
Of holding you one more time
And I could only whisper
Silent wishes longing for your love again
Thatâ€™s all I do to have one chance with you
