Hey crazy lookin' girl
Come over and rock my world
Let's be together and we can shine
Baby I'm yours and you're mine
We first met at the bar
I thought you caught my eye
We were unknown
And now you're mine
But since we're here
Let's make this right
Don't you wanna be with me tonight
The stars are bright in the light
Then in the morning we'll fly like a kite

So crazy
So so crazy
Wanna be with you baby

Hey crazy lookin' girl
Come over and rock my world
Let's be together and we can shine
Baby I'm yours and you're mine
We first met at the bar
I thought you caught my eye
We were unknown
And now you're mine
But since we're here
Let's make this right
Don't you wanna be with me tonight
The stars are bright in the light
Then in the morning we'll fly like a kite

Hey let me add a little something to your drink
Baby we'll make love then we'll sink
Baby I'ma let you know I'm a major freak
A major freak
Come on let's freak.

Hey crazy lookin' girl
Come over and rock my world
Let's be together and we can shine
Baby I'm yours and you're mine

We first met at the bar
I thought you caught my eye
We were unknown
And now you're mine
But since we're here
Let's make this right
Don't you wanna be with me tonight
The stars are bright in the light
Then in the morning we'll fly like a kite
