Stray cats in a mad dog city  
9 ways to sorrow  
A moment's all it takes to say goodbye  
I'm waiting

Wild cats in a sad dog story  
9 roads to follow  
A moment's all it takes to say goodbye  
For all the days before us for love

For all the pain you've got  
Say you won't, say you won't give up  
Love comes and gives you that feeling  
You're suddenly dreaming of a brand new day

'Cause when love comes  
The world has new meaning  
And every thing's gleaming  
Like the downtown lights

Stray cats in a mad dog city  
9 lives to borrow  
A moment's all it takes to say goodbye  
I'm waiting

Lost cats in a dead end story  
9 lines that echo  
A moment's all it takes to say goodbye  
For all the days before us, for love

For all the pain you've got  
Say you won't, say you won't give up  
Love comes and gives you that feeling  
You're suddenly dreaming of a brand new day

'Cause when love comes  
The world has new meaning  
And every thing's gleaming  
Like the downtown lights

Siamo caduti in volo, mio cielo  
Siamo caduti in volo

Baby don't cry, baby don't cry  
Baby don't cry, baby don't cry  
Baby don't cry

They're gonna paint this town for us  
Turn it upside down  
Say you won't, say you won't give up

Sogno, qualcosa di buono  
Che mi illumini il mondo  
Buono come te

'Cause when love comes  
The world has new meaning  
And every thing's gleaming  
Like the downtown lights

'Cause when love comes  
The world has new meaning  
You're suddenly dreaming  
Of a brand new day
