If i was broken down
Would you fix me up
If you saw me shaking like a leaf
Would you pick me

I'm all out of the reasons why
It's always 2wice as hard
To wave goodbye

2wice as hard to
Try to catch you
Do you know who you are
2wice as far to
Something brand new
You're kind of like
One of them shooting stars

Remember yesterday
When you were so contagious
And outrageous
Now you know it's 2wice as hard

If you could stop this thing from turning on a dime
Whatever will we do
Can i get off of the ground again
Will you pick me up

I'm all out of the reasons why
It's always 2twice as hard
To wave goodbye

2wice as hard to
Try to catch you
Do you know who you are
2wice as far to
Something brand new
You're kind of like
One of them shooting stars

Remember yesterday
When you were so contagious and outrageous

Now you know it's 2wice as hard
