She goes to pieces, when he's away  
Daydream and celebrate  
Why is she jealous of the sun

All covered up in glitter  
In your world of make believe  
Delicious double-dare me  
Jealousy.. Jealousy

She chews him up, he spits her out  
No taste for the love parade  
Tough luck hanging on the grapevine, but they try  
All covered up in glitter, in your world of make believe  
Delicious double-dare me  
Jealousy.. Jealousy

All covered up in glitter, in your world of make believe  
Delicious double-dare me  
All covered up in glitter, in your world of make believe  
Delicious double-dare me  
Jealousy.. Jealousy

Jealousy!  
No taste for the love parade  
On and on we share  
Jealousy
