A soul fever's all you've got,
You know when you can make it stop,
A soul fever's all you've got,
You know it when your heart beat stops,

I reach down low, I hit the floor
I hit the floor and it's cold, cold, cold!
I reach down low, I hit the floor
I hit the floor and it's cold, cold, cold!

Eyes, I can see it in your eyes,
Yes your eyes,
Eyes, I can see it in your eyes,
Yes your eyes

Keep it cold, cold cold!

Your soul fever's all you've got,
And I know, I know that you can make it drop,
Your soul fever's all you've got,
And I know it, I know it when your blood runs hot,

I reach down low, I hit the floor
I hit the floor and it's cold, cold, cold!
I reach down low, I hit the floor
I hit the floor and it's cold, cold, cold!

Eyes, I can see it in your eyes,
Yes your eyes,
Eyes, I can see it in your eyes,
Yes your eyes

Yeah keep it cold, yeah keep it cold
Keep it cold now
Keep it cold, cold cold!

I no longer can save my soul
Oh, I,
I should have let you save my soul
And I know you can

Yeah!

Eyes, I can see it in your eyes,
Yes your eyes,
Eyes, I can see it in your eyes,
Yes your eyes

Yeah keep it cool, now!
Keep it cool now
Yeah keep it cool
Keep it cold, cold cold!

Yeah keep it cool, now!
Keep it cool now
Yeah keep it cool
Keep it cold, cold cold!

Yeah keep, yeah keep it, yeah keep it cool now
Yeah keep it cool, cool, cool!
Yeah keep, yeah keep it, yeah keep it cool now
Yeah keep it cool, cool, cool!
