Come on over
Let me watch you
Let me hold you
Let me touch you

Right or wrong
I should have stayed up 'till the break of dawn
Ever since our eyes did meet
I long to see
Your eyes
Surprised me like a moon on a cowboy movie screen
I never found out what it means!

I must be out of my head
It must be something I said
So come on
I'll waste my life [on you]
You think I'm out of my head
But I'm romantically dead
So come on
I'll waste my life on you!!!

Come on over
Let me watch you
Let me hold you
Let me touch you

I'm right, you're wrong
You should have come to me before too long
You'll never leave my sight again
To keep you then
Your eyes
Deny me like the sun on a night sky movie scene
And I just don't care what it means!

I must be out of my head
It must be something I said
So come on
I'll waste my life [on you]
You think I'm out of my head
But I'm romantically dead
So come on

I'll waste my life on you!!!

And I hate to be the one
The one to drop you the bomb
You wouldn't wait around
But I'll be watchin' you

Wooooooo you!
Wooooooo you! YEAH you
Wooooooo you!
Wooooooo you! YEAH you
Wooooooo
Wooooooo

I'll watch your every move
You can't know we can't hurt
You got no choice I got you!!!

I must be out of my head
It must be something I said
So come on
I'll waste my life [on you]
You think I'm out of my head
But I'm romantically dead
So come on
I'll waste my life on you!!!

I must be out of my head
It must be something I said
So come on
I'll waste my life on you!
You think I'm out of my head
But I'm romantically dead
So come on!

I'll waste my life
I'll waste my life
My life on you!!!
