Uh huh uh huh uh uh uhh
Uh huh uh huh uh uh uhh
Uh huh uh huh uh uh uhh
Uh huh uh huh uh uh uhh

Anytime you come around
Come on at my door
Step inside and see that I
Only need you more,
Only need you more

Uh huh uh huh uh uh uhh
Uh huh uh huh uh uh uhh

Sweet light, shine on me now, shine on me now
Sweet light, shine on these endless nights of gold

Help me break this war of mine
I think I'm getting close
Would you trade your heart for mine
And let me take control
Help me break this war of mine
I think I'm getting close,
Think I'm getting close

Uh huh uh huh uh uh uhh
Uh huh uh huh uh uh uhh

Sweet light, shine on me now, shine on me now
Sweet light, shine on these endless nights of gold

Let me take control
Let me take control (Control, control, control...)
Let me take control
Let me take control (Control, control, control...)

Sweet light, shine on me now, shine on me now
Uh huh uh huh uh uh uhh
Uh huh uh huh uh uh uhh
Sweet light, shine on these endless nights of gold
Uh huh uh huh uh uh uhh
Uh huh uh huh uh uh uhh

Sweet light, shine on me now, shine on me now
Uh huh uh huh uh uh uhh
Uh huh uh huh uh uh uhh
Sweet light, shine on these endless nights of gold
Uh huh uh huh uh uh uhh

Shine on, shine on
These endless nights of gold
