Heaven

A gateway to hope

Just like a feeling
I need, it's no joke

And though it hurts me

To see you this way

They traded by words
I'd never heard

To hard to say them

Up, down, turn around; please don't let me hit the
ground
Tonight I think I walk alone to find my soul desire to go
home

[2x]

Oh it's the last time, it's the last time

Oh it's the last time, it's the last time

Each way I turn

I know I'll always try

To break the circle
That has been placed round me

From time to time

I find our lost
Semeaning

That was urgent

To myself

I don't believe

Oh, up, down, turn around; please don't let me hit the
ground

Tonight I think I walk alone to find my soul desire to go
home

[2x]

Oh it's the last time, it's the last time
Oh it's the last time, it's the last time

And I have never met anyone quite like you before

And I've never met anyone quite like you before
[2x]

And I've never met anyone quite like you before

Oh, up, down, turn around; please don't let me hit the
ground

Tonight I think I walk alone, to find my soul desire to go
home

And I never met anyone quite like you before

Up, down, turn around; please don't let me hit the
ground

Tonight I think I walk alone, to find my soul desire to go
home

Up, down, turn around; please don't let me hit the
ground

Tonight I think I walk alone to find my soul desire to go
home

[2x]
