Where were you when I was lonesome
Locked away in this freezing cold
Someone flying, only stolen,
I can't tell, this night's so old,

I don't wanna swim the ocean,
I don't wanna fight the tide,
I don't wanna swim forever,
When it's cold I'd like to die.

What was that, my sweet sweet nothing
I can't hear you through the fog
If I holler let me go
If I falter let me know

I don't wanna swim the ocean,
I don't wanna fight the tide,
I don't wanna swim forever,
When it's cold I'd like to die.

I don't wanna swim forever,
I don't wanna fight the tide,
I don't wanna swim the ocean,
When it's cold I'd like to die.
