Empty-armed
And half a soul to go

And all i wanted
Was you here next to me
A little sunshine and sympathy

Now everybody knows
That i've been hanging down so low
'cause now i'm feeling up
Soon i'll be feeling out so cold
Wondering, will you call
And now i'm feeling high
Soon i'll be feeling left for dead
Sometimes someone saying yes
Changes what you'll bet

And all i wanted
Was just to hold you close
A little sunshine
Just to butter my toast
And your love next to mine

I had to let you know
That we were meant to be just right
Heaven sent, not sympathized
By everybody's lie
And now i'm feeling high
Now i'm feeling left so dead
Kicking up the dust in bed
Wondering, i guess

Sunshine
Sunshine
Sunshine
And some tea

And your love
Your love
Your love next to mine

I had to let you know
I had to let you go so i
Could see my lie fade from your eyes
And to my surprise

That's what i wanted
It's all i wanted
It's what i wanted
Me and you

Sunshine
Sunshine
Sunshine
And some tea

That's all i wanted
It's all i wanted
That's all i wanted
It's all i wanted
