I believe
I believe
I believe
I believe the love you talk about with me
is it true, do I care
honestly, you can try to wipe the memories aside
but it's you that you erase

'cause there's no place that I could be without you
it's too far to discard the life I once knew
honestly, all the weather storms are bringing
are just a picture of my dreams
'cause when I think of you as mine
and allow myself with time
to lead into the life we want
I feel loved, honestly
I feel loved, this honestly

I believe you mean the best that life can bring
I believe in it all
honestly, you can try
your heart is just as long as mine
is it ours to let go

'cause there's not place that I could be without you

it's too dark to discard the life I once knew
honestly, a single wrong is not enough
to cover up the pain in us
'cause when I think of you as mine
and allow myself with time
to lead into the life we want
I feel loved, honestly
I'll make a joke so you must laugh
I'll break your heart so you must ask
is this the way to get us back
I don't know, honestly
I don't know, this honestly

there's no place that I could be without you
honestly

there's no place that I could be without you
there's no place that I could gleam without you
there's no place that I could dream without you
there's no place that I could be without you
honestly
