If only I die  
Just once in my life  
If only to try  
To take a guess, to be the best

A feeling I hide  
That runs this world  
That keeps us alive  
I want you to climb with me

Until I die of a broken heart  
A broken heart  
Until I die of a broken heart  
A broken heart  
Until I die

The heart of a child  
Is in your hands now  
So let's see you smile  
'Cause I'm not impressed with your loneliness

And it's been a while  
Since you forgave  
All your changes made  
So let's count the miles together

Until I die of a broken heart  
A broken heart  
Until I die of a broken heart  
A broken heart  
Until I die of a broken heart  
A broken heart  
Until I die

If only I die  
Just once in my life  
If only to try together

Until I die of a broken heart  
A broken heart  
Until I die of a broken heart  
A broken heart

Until I die of a broken heart  
A broken heart  
Until I die
