

Zwan "Ride A Black Swan"

Visit "[Ride A Black Swan](#)" on MotoLyrics.com

A black swan rode me into
My place of destiny
To love, to feel so madly
Stubborn to disagree
With people who think that life is
Just a memory
To be denied
I'll take this picture for ages of just
You and I

As the world goes 'round
It's got me thinkin'
That the things I want
Just keep me sinkin' down

A white horse picks my dreams up
To take my hopes to God
My prayers have nestled brightly
To dim my sense of awe
I want you to be someone
I can't deny
A house of fire
I want you to be somethin'
I realize

As the world goes 'round
It's got me thinkin'
That the things I want
Just keep me sinkin' down
As the world goes 'round
It's got me thinkin'
That the things I want
Will keep me sinkin' down

Remove my
Spirit from darkness
Love becomes
My heaven

As the world goes 'round
With our love

I want you to be my message
I want you to be my friend
I want you to be that answer
An answer I must defend
I want us to solve
Our distrust of everyone
And trust in God
I want us to solve
Our distrust of who we are

As the world goes 'round
It's got me thinkin'
That the things I want
Just keep me sinkin' down
As the world goes 'round
It's got me thinkin'
That the things I want
Just keep me sinkin' down

As the world goes 'round
With our love
(Tr-tr-truely)
As the world goes 'round
With our love

Remove my
Spirit from darkness
Love becomes
My Heaven

Remove my
(As the world goes 'round)
Spirit from darkness
Love becomes
(As the world goes 'round)
My Heaven
(With our love)

Remove my
(As the world goes 'round)
Spirit from darkness
Love becomes
(As the world goes 'round)
My Heaven
(With our love)

As the world goes 'round
With our love
As the world goes 'round
With our love
