In overdrive
I search for life and feeling
No other ride
'cause baby, i've tried
Baby, i've tried to reach you
To reach you so
To love you
To love you
Your figure cuts the shape
In the embrace of my will
There's no mistake
Baby, i've tried
Baby, i've tried to love you
To love you so
To reach you
To reach you
To reach you
All secrets all the time
Are wishing more than fine i'm waiting
Still no one on the lines out here
I rode my horse
Her [?]
She showed the course
But baby, i've tried
'cause baby, i've tried
To love you
To love you so
Just to reach you
