Seems like yesterday
You and I in love
I felt like a child
You walked out on me

I tried to telephone
But they said you were gone
Maybe what you need's
A change of scene
And if you think of me

You can call out my name
Don't you be afraid
Come on, girl, call out my name
I'll be around

Ooh, come on, baby

Feeling my love in you
All of the night
But, yes, you changed the night
Nothing seems right

Baby, if you want this love
Won't you please telephone
Oh, won't you telephone
Oh, won't you telephone

Come on, call out my name
Don't you be afraid
Come on, girl, call out my name
Don't you be afraid

Come on, girl, call out my name
Don't you be afraid
Mmm, babe, call out my name
Come on, baby, don't you be afraid

Oh, yeah, call out my name
Don't you be afraid
Baby, babe, call out my name
Don't you be afraid
