Sex on drugs - 3am in the valley (Fabian Gray remix)

If you want it  
You can have it  
Coz you know that it's the best  
Got you dancing, like an addict  
You'll be coming straight back once you've had it  
Look at all these crazy colours  
Grease me up in body butters  
Man I gotta get myself some numbers  
Sex on drugs is ...  
What's yo name

(x2)

What's yo name  
Where you from  
C'mon girl let's get it on  
Pass me, can I get yo favorite song  
Yea chilling in the club till' the early morn'  
Baby back up don't tease me  
Let's move on over to the couch get freaky  
Looks like you got a few moves you can teach me  
I never thought picking up was so easy

If you want it  
You can have it  
Coz you know that it's the best  
Got you dancing like an addict  
You'll be coming straight back once you've had it  
Look at all these crazy colours  
Grease me up in body butters  
Man I gotta get myself some numbers  
Sex on drugs just makes me wanna

I wanna have sex on drugs  
Sex in clubs  
Sex in pubs  
I'm talking bout sex  
I don't want no love  
Baby we can have sex on a big French rug  
Treat me like I'm dumb

Only came here to have some fun  
Think my sex drive is building up  
And looking at all this just makes me wanna

Come over here I'll buy you a beer, a Tia Maria  
Coz everything you do just seems so clear so  
Lets have sex-ex-ex-ex-ex-ex my ex-ex-ex-ex sex my  
dear
