There's quiet all around me as wind whispers through the trees.

So why can't I feel this quiet Lord? Why can't I feel at ease?

It seems I'm always anxious, but for what I just don't know.

I worry about tomorrow, and the past won't let me go.

But I heard about the promised land, and all You have in store.

Where there's peace and rest and joy and where worry is no more.

Now I'm completely calm and quiet. I feel rest and peace so strong.

Could it be I finally found what I've been searching for so long?

With my eyes closed, I imagine it. What a bright and glorious place.

And I smile as I can see it and the tears stream down my face.

It's funny how long and hard I tried to hear Your freedom call, Your freedom call.

For the land it took so long to find, wasn't hard to find at all.

I hear Your freedom call. I hear Your freedom call.

By the blood of Jesus Christ, I have been set free.

I hear your freedom call. I hear Your freedom call.
