When the world is closing in on me, I will not be afraid.
I will never doubt, I'll stand upon the promises You
made.
And when I feel that I am broken down and can't get up
again.

I will trust in You, the Lord of all I own.
I will trust in You, and all the love You've shown.
I will trust in You, I never am alone.
I will trust, I will trust in You.

When I'm feeling weak and my strength is gone, when
the pain's too much to bear.
When all the others turn away, Lord, I know You're
there.
And when it feels like everything's so wrong, when life
just don't seem fair.

I will trust in You, the One who makes me free.
I will trust in You, Your Light will help me see.
I will trust in You, the One who died for me.
I will trust, I will trust in You.

Please come and heal this broken body, make me new.
Oh God, I know that You are able, I trust in You. I trust in
You

I will trust in You, You're Jesus Christ the son.
I will trust in You, I love what You have done.
I will trust in You, You are the only One.
I will trust, I will trust in You.
I will trust, I will trust in You.
