"A Candle In The Window"

There's a road that I remember leading to a special
place
Where the door was always open to a smiling face
There's a picture on the mantle of a boy that looks like
me
It's always the same, there's a stocking with my name

And a candle in the window, a flame against the night
There's a candle in the window, it's like God's perfect
light
It don't take a lot of money to know what riches are
Just a candle in the window, oh it's Christmas in your
heart, in your heart

Maybe it's just wishful thinking, I can hear the sleigh
bells ring
Almost taste the pie she's baking, it's Christmas Eve

There's a candle in the window, there's a flame against
the night
There's candle in the window, it's like God's perfect
light
It don't take lots of money to know what riches are
Just a candle in the window and Christmas in your heart

Wherever the years may take me, no matter how far I
go
There's going to be a candle burning, it's always nice
to know
It don't take a lot of money to know what riches are
A simple candle in the window and Christmas in your
heart
Your heart, your heart

A candle in the window
A candle in the window
