Why lady why can't I leave you alone
I try lady try but the feeling's too strong
You stay on my mind feel just like a fool
Why lady why can't I get over you

Why lady why it was easy before
I try lady try but it ain't easy no more
To be on my way would be the best thing to do
Why lady why can't I get over you

Why lady why can't I leave you alone
I try lady try but the feeling's too strong
To be on my way would be the best thing to do
Why lady why can't I get over you
