Amazing Grace How sweet the sound
That saved a wretch like me
I once was lost but now am found
Was blind but now I see

Twas grace that taught my heart to fear
And grace my fears relieved
How precious did that grace appear
The hour I first believed

Through many dangers, toils and strife
I have already come
Tis grace that's brought me safe this far
And grace will lead me home
When we've been there ten thousand years
Bright shining as the sun
We've no less grace to see God's face
Than when we first begun

Amazing Grace How sweet the sound
That saved a wretch like me
I once was lost but now am found
Was blind but now I see

Amen
