I was walking home from school on a cold winter day
Took a shortcut through the woods, and I lost my way
It was getting late, and I was scared and alone
But then a kind old man took my hand and led me
home
Mama couldn't see him, oh but he was standing there
And I knew in my heart, he was the answer to my
prayers

Oh well I believe there are angels among us
Sent down to us from somewhere up above
They come to you and me in our darkest hours
To show us how to live, to teach us how to give
To guide us with the light of love

When life held troubled times, and had me down on my
knees
There's always been someone to come along and
comfort me
A kind word from a stranger, to lend a helping hand

A phone call from a friend, just to say I understand
And ain't it kind of funny at the dark end of the road
That someone lights the way with just a single ray of
hope

Oh well I believe there are angels among us
Sent down to us from somewhere up above
They come to you and me in our darkest hours
To show us how to live, to teach us how to give
To guide us with the light of love

They wear so many faces, show up in the strangest
places
To grace us with their mercy, in our time of need

Oh well I believe there are angels among us
Sent down to us from somewhere up above
They come to you and me in our darkest hours
To show us how to live, to teach us how to give
To guide us with the light of love
To guide us with the light of love
