Lord, it's the same ol' tune, fiddle, and guitar  
Where do we take it from here  
Rhinestone suits and new, shiny cars  
It's been the same way for years

We made the change

Somebody told us when we came to Nashville  
"Boys, you really got it made  
"Ol' Hank made it here, we're all sure that you will"  
But I don't think Hank done it this way  
I don't think Hank done it this way

No

Been years on the road workin' one night stands  
Speedin' my young life away  
Yeah, tell me one more time just so's I'll understand  
Are you sure Hank done it this way  
Did ol' Hank really do it this way

Yeah, I've seen the world with a four piece band  
Lookin' sideways at me  
Singin' our songs one hears now and then  
But I don't think Hank done 'em this way  
No, I don't think Hank done 'em this way

No, I don't think Hank done 'em this way
