The walls of my mind are closin' in
Can't get away, your memory won't end
Can't forget about you
Can't forget about you

Can't forget about you
Can't forget about you
Breakin' my mind in three quarter time
Makin' me blue

Can't forget about you
Can't forget about you
I never stop hearin' the music
After the song is through

I still see your eyes
Your warm gentle smile
It was all worthwhile
Each moment we knew
Can't forget about you
Can't forget about you

Can't forget about you
Can't forget about you
Breakin' my mind in three quarter time
Makin' me blue

Can't forget about you
Can't forget about you
I never stop hearin' the music
After the song is through

Can't forget about you
Can't forget about you
Breakin' my mind in three quarter time
Makin' me blue

Can't forget about you
Can't forget about you
I never stop hearin' the music
After the song is through

Can't forget about you
