Deep River Woman
Lord I'm comin home to you
Deep River Woman
Lord I know she's waiting
Just anticipating all my love
Spent a night in LA
just another chance to see you
just you and I
Wanted you to know
that my playin days are over
cause all I do is think of you
The writings on the wall

== Chorus ==

I've been out in the world
I guess the fast lif had me going
Now all tha's changed
Finally made up my mind
bout the one thing I've been knowing
You're the only girl
I've ever cared for in this world

== Chorus ==

Your kind of love girl is forever
Took me a long time to realize
that I've come so far to end up going nowhere
Girl I need you by my side

== Chorus ==
