Thinking of the faces I've seen
Back when I was young and green
I was falling back then

But now I'm workin' on building a fire
And flirtin' with that ol' desire
And fallin' again into the wind

I fall in, in again
I fall in love again
I'm fallin' again

Well, I you'd think that I would learn by now
To keep from fallin' somehow
But I'm fallin' again

'Cause when I caught that look in your eyes
That's when I realized
I was fallin' again into the wind

I fall in, in again
I fall in love again

Fall, fall, fall, fallin' again
Fall, fall, fall, fallin' again
Fall, fall, fall, fallin' again
Fall, fall, fall, fallin' again

I fall in, in again
I fall in love again
Fallin' again into the wind

Fall, fall, fall, fallin' again
Fall, fall, fall, fallin' again

I fall in, in again
I fall in love again
Fallin' again into the wind
