

Alabama "Forty Hour Week"

There are people in this country who work hard every
day
Not for fame or fortune do they strive
But the fruits of their labor are worth more than their
pay
And it's time a few of them were recognized

Hello Detroit auto workers, let me thank you for your
time
You work a forty hour week for a livin' just to send it on
down the line
Hello Pittsburgh steel mill workers, let me thank you for
your time
You work a forty hour week for a livin', a-just to send it
on down the line

This is for the one who swings the hammer, driving
home the nail
Or the one behind the counter, ringing up the sale
Or the one who fights the fires, the one who brings the
mail
For everyone who works behind the scenes

You can see them every morning in the factories and
the fields
In the city streets and the quiet country towns
Working together like spokes inside a wheel
They keep this country turning around

Hello Kansas wheat field farmer, let me thank you for
your time
You work a forty hour week for a livin', a-just to send it
on down the line
Hello West Virginia coal miner, let me thank you for
your time
You work a forty hour week for a livin', just to send it on
down the line

This is for the one who drives the big rig, up and down
the road
Or the one out in the warehouse, bringing in the load
Or the waitress, the mechanic, the policeman on patrol

For everyone who works behind the scenes

With a spirit you can't replace with no machine
Hello America let me thank you for your time
