Can this be true? Tell me, can this be real?  
How can I put into words what I feel?  
My life was complete, I thought I was whole  
Why do I feel like I'm losing control?

I never knew that love could feel like this  
Then you changed my world with just one kiss  
How can it be that right here with me there's an Angel?  
It's a miracle

Your love is like a river, peaceful and deep  
Your soul is like a secret that I never could keep  
When I look into your eyes I know that it's true  
God must of spent a little more time on you  
A little more time, I'm sure he did, yes he did

In all of creation, all things great and small  
You are the one that surpasses them all  
More precious than any diamond or pearl  
They broke the mold when you came in this world

And I'm trying hard to figure out  
Just how I ever did without  
The warmth of your smile, the heart of a child  
It's deep inside and leaves me purified

Your love is like a river, peaceful and deep  
Your soul is like a secret that I never could keep  
When I look into your eyes I know that it's true  
God must of spent a little more time on you  
Yes he did, yes he did

I never knew that love could feel like this  
Then you changed my world with just one kiss  
How can it be that right here with me there's an Angel?  
It's just a miracle

Your love is like a river, peaceful and deep  
Your soul is like a secret that I never could keep  
When I look into your eyes I know that it's true  
God must of spent a little more time on you  
God must of spent a little more time on you, on you

A little more time, you
