I'm gonna call up my boss and tell him I'm ill
Gonna tell him I'm home, with the fever and chills
I don't usually lie but for your sweet love I will, I need it
so

We won't be disturbed, the phone's off the hook
And when it comes to lovin' woman, you wrote the book
And I just saw that 'I want you' look and that's all it took,
well I

Ain't got no business doin' business today
My little woman wants to stay home and play
Right in her arms is where I will stay
'Cause I ain't got no business doin' business today

Well, the boys at the plant are punching the clock
If they could see us darlin', oh, what a shock
They'd do the same if they had what I got
So please don't stop, well I

Ain't got no business doin' business today
My little woman wants to stay home and play
Right in her arms is where I will stay
'Cause I ain't got no business doin' business today

Ain't got no business doin' business today
My little woman wants to stay home and play
Right in her arms is where I will stay
'Cause I ain't got no business doin' business today
