My love is like an automobile
Out of control, ramming down a hill
I can't stop, no, I can't stop

My love is like a runaway train
Running over anything in my way
I can't stop, no, I can't stop

Once I get started making love to you
That's the only thing that I want to do
Oh, oh, I can't stop

My love is like a house on fire
You keep me burning with your sweet desire
I can't stop, no, I can't stop, yeah

I'm gonna love all over and then
I'm gonna love you all over again
I can't stop, no, I can't stop

Once I get started making love to you
That's the only thing that I want to do
Oh, oh, I can't stop
I can't stop, no, I can't stop

I'm gonna love you all over again
I'm gonna love you all over and then
I can't stop, no, I can't stop

I'm gonna love you, I'm gonna love you
I'm gonna love you, I'm gonna love you
I'm gonna love you, I'm gonna love you
