You've got me achin' more than I should
My heart is breakin', oh don't it feel good
'Cause I know for certain, we're magic in love
You've got me hurtin', 'cause I can't get enough

I just couldn't say no, even though I should
Even if I did, wonder if you could
I just couldn't say no, no when your eyes say yes, yes
I just can't say no, oh, I've tried my best

The way that you tease me, makes me want you more
You purr like a kitten but I hear you roar
Your body language it's talkin' to me
Right here in the darkness, it's so plain to see

I just couldn't say no, even though I should
Even if I did, wonder if you could
I just couldn't say no, no, when your eyes say yes, yes
I just can't say no, oh, I've tried my best, I just couldn't
say no

I just couldn't say no, no, when your eyes say yes, yes
I just can't say no, oh oh, 'cause I've tried my best
I just can't say no, oh oh, I've tried my best
I just couldn't say no
