Umm. don't she look good on the floor movin' so slow,
um hm
Look how she's lookin' at him and dancin' so slow
There's not a man in the crowd
Who wouldn't like to hold her right now.

I taught her everything she's knows about love
So why is she lookin' at him like I ain't enough
I wonder if I didn't teach her a little to much
'Cause, I taught her everything she knows about love.

Well, someone just handed her a note with a bottle of
wine
When I asked her who it was from she just said honey it
was fine
Maybe I shouldn't give it much thought
But I know how well she's been taught.

I taught her everything she's knows about love
So why is she lookin' at him like I ain't enough
I wonder if I didn't teach her a little to much
'Cause, I taught her everything she knows about love.

I catch a guy lookin' at her
But now she's lookin' too
I taught her everything about love
Now she's lookin' to find somethin' new.

I taught her everything she's knows about love
So why is she lookin' at him like I ain't enough
I wonder if I didn't teach her a little to much
'Cause, I taught her everything she knows about love.

--- Instrumental ---

I taught her everything she's knows about love.

I taught her everything she's knows about love
So why is she lookin' at him like I ain't enough
I wonder if I didn't teach her a little to much
'Cause, I taught her everthing she knows about love.

--- Instrumental to fade ---
