I hope you know what I'm thinkin'  
I hope you can read my mind  
I hope you don't mind me sayin'  
I wanna be with you tonight.

Was it just my imagination  
Or a come on look from you  
Did your eyes ask me a question  
Or did I miss interpret you?

I don't know the man at your table  
But I wish you'd tell him goodbye  
'Cause the looks in your eyes keep sayin'  
I wanna be with you tonight.

I hope you know what I'm thinkin'  
I hope you can read my mind  
I hope you don't mind me sayin'  
I wanna be with you tonight.

As you turns you around the dance floor  
Our eyes continue to meet  
As he holds his arms around you  
Your heart gets closer to me.

Both of us maybe be strangers  
But looks aren't hard to discribe  
And the looks in your eyes keep sayin'  
I wanna be with you tonight.

I hope you know what I'm thinkin'  
I hope you can read my mind  
I hope you don't mind me sayin'  
I wanna be with you tonight.

I hope you know what I'm thinkin'  
I hope you can read my mind  
I hope you don't mind me sayin'  
I wanna be with you tonight.

I hope you know what I'm thinkin'

I hope you can read my mind  
I hope you don't mind me sayin'  
I wanna be with you tonight.
