I'm in a hurry to get things done  
Oh, I rush and rush until life's no fun  
All I really got to do is live and die  
But I'm in a hurry and don't know why

Don't know why  
I have to drive so fast  
My car has nothing to prove  
It's not new, but it'll do 0 to 60 in 5.2

I'm in a hurry to get things done  
Oh, I rush and rush until life's no fun  
All I really got to do is live and die  
But I'm in a hurry and don't know why

Can't be late  
That leaves me plenty of time  
Shakin' hands with the cops  
I can't stop, I'm on a roll and I'm ready to rock

I'm in a hurry to get things done  
Oh, I rush and rush until life's no fun  
All I really got to do is live and die  
But I'm in a hurry and don't know why

I hear a voice, it says I'm runnin' behind  
I better pick up my pace  
It's a race and there ain't no room  
For someone in second place

I'm in a hurry to get things done  
I rush and rush until life's no fun  
All I really got to do is live and die  
But I'm in a hurry and don't know why

I'm in a hurry to get things done  
Oh, I rush and rush until life's no fun  
All I really got to do is live and die  
But I'm in a hurry and don't know why

I'm in a hurry to get things done  
Oh, I rush and rush until life's no fun

All I really got to do is live and die  
But I'm in a hurry and don't know why

I'm in a hurry to get things done  
Oh, I rush and rush until life's no fun  
All I really got to do is live and die  
But I'm in a hurry and don't know why
