I know people who lose their lover turn around and they
find another
Fall in love and then they break up I don't know if I want
to wake up
Cause I'm still dreamin' I'm still dreamin' baby
I'm still dreamin' oh oh oh about you

Other women walk right up to me I hear them talking
but it goes right through me
I know it's love that's on the line but they don't know
what's on my mind
Cause I'm still dreamin'...

It's like a voice that's always calling it's like a feelin'
that I'm always falling
I close my eyes and all I see is you you you
Cause I'm still dreamin'...
I'm still dreamin'...
