"O Little Town Of Bethlehem"

O little town of Bethlehem how still we see thee lie
Above they deep and dreamless sleep the silent stars
go by
Yet in they dark streets shineth the everlasting light
The hopes and fears of all the years are met in thee
tonight

O holy child of Bethlehem descend to us, we pray
Cast out our sin and enter in be born in us today
We hear the Christmas angels the great glad tidings
tell

O come to us, abide with us, our Lord Immanuel
For Christ is born of Mary and gathered all above
While mortals sleep, the angels keep their watch of
wondering love

O morning stars, together proclaim the holy birth
And praises sing to God the King and peace to men on
Earth
