I had my rent-a-car flyin' down a two-lane road
Late for my plane again
Had to stop for some gas at this country store
That's when I saw the old man

He was kicked back, workin' on a big RC
Watchin' Gomer Pyle on his little TV
Took him awhile to even notice me
Sittin' there I thought to myself

Old man
(Old man)
You got one up on me
I'm still lookin' for my shady tree
With your two gas pumps and your color TV
You're satisfied as you can be

Old man
(Old man)
I guess you got one up on me

Well, he finally strolled over with a big ol' smile
Said, "How ya doin, son?"
I said, "Give me five dollars worth as fast as you can
'Cause I'm really in a run"

He said, "What's your hurry on a day like this?
If you move too fast, there's a lot you'll miss
If you wanna see what the good life is
Just get out and visit awhile"

Old man
(Old man)
You got one up on me
I'm still lookin' for my shady tree
With your two gas pumps and your color TV
You're satisfied as you can be

Old man
(Old man)
I guess you got one up on me

Don't remember just what it was the old man said to me
But I forgot about catchin' the plane and opened up the
big RC

Old man
(Old man)
You got one up on me
I'm still lookin' for my shady tree
With your two gas pumps and your color TV
You're satisfied as you can be

Old man
(Old man)
I guess you got one up on me

Old man
Old man
Old man
Old man
Old man, you got one up on me
